## Stock No. SB44

### 44 gallon sharps drop-box

**Capacity:** Will hold a 44 gallon regulated sharps container

**Exterior Dimensions:** 54" high, 31" wide, 28" deep.

**Interior Dimensions:** Storage area 21" wide, 18" deep, 26" high

**Drop opening:** 8" from edge of opening to back of opening, 6.0" deep, 17.5" width

**Shipping weight:** 245# without shipping pallet

**Construction:** 12 gauge steel plate with welded and sanded seams.

**Drop opening:** 8" from edge of opening to back of opening. 7.5" deep.

**Storage door:** 18" wide, 24" high. **Steel pull handle.**

### The following specifications apply to both sizes.

**Secure to floor or building:** Four drilled holes on inside of feet for bolting to a floor. Can be bolted to a wall through back or sides.

**Coating:** Box has been powder coated after priming. Moisture resistance is good.

**Door hinges** are rounded at top to prevent moisture from entering. If boxes are to be placed outside, a minor modification is required so that moisture will not enter the drop opening.

**Coating colors:** Approximately 150 colors available.

**Decals:** Standard decal is included for a single purchase.

For multiple purchases, drop-box is quoted without decals.

**Public Education Messages:** Can be placed on front or sides of the box.

If inside, a separate 11" x 17" plastic sign topper for two-sided messages.

**Manufactured In the U.S.** utilizing U.S. manufactured steel.

All manufacturing employees are legally permitted to work in the U.S.

**Lead time for orders:** Custom colors or large quantities, two-three weeks.
